AI Analysis:
On September 15, Chennai will experience temperatures ranging from a low of 27.2°C to a peak of 34.9°C. Conditions will be consistently cloudy (varying between broken and overcast skies) with high humidity levels ranging from 61% to 80%. Because of the high moisture, "feels-like" temperatures will soar up to a sweltering 41.9°C during midday.
Key Recommendation: Stay well-hydrated and minimize outdoor activities between 11:00 AM and 3:00 PM to avoid heat exhaustion.
